February 29, 2000

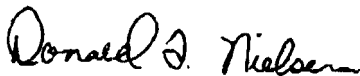

Jeff Ottesen  
State of Alaska DOT & PF  
Division of Statewide Planning  
3132 Channel Drive  
Juneau AK 99801-7898

Dear Mr. Ottesen:

On February 8, 2000, the South Naknek Village Council, the governing body of the Native village of South Naknek, mailed notices to every box holder in the village notifying them of general vote on the State of Alaska's plan to construct a bridge spanning the Naknek River to be held on February 25, 2000.

On February 25, 2000, a vote on the States Transportation Plan for the Naknek River Bridge was taken, Tribal members and non-tribal members voted on the attached resolution 2000-06. The vote for the resolution past by a vast majority in support of it. Therefore, resolution 2000-06 is the official position of the South Naknek Village residents as well as the position of the South Naknek Village Council.

Sincerely,

Donald F. Nielsen  
President, South Naknek Village Council
